ATTEND CLASS VIA ZOOM:
Each student will sign into Zoom using the secure link provided by the classroom teacher.

TAKING ATTENDANCE:
Teachers will take attendance at morning meeting (K-5) and at the beginning of each class period (6-8). Attendance is expected for all synchronous learning activities.

CLASS ENGAGEMENT:
Students are expected to engage in daily learning experiences for each of their classes/subjects. There will be a combination of synchronous and asynchronous activities. Work will be submitted via Seesaw (K-2), Google Classroom (3-8) or other assigned digital platforms. Reducing the number of distractions by setting phones and other electronics aside is strongly requested.

LIVE CLASS EXPECTATIONS:
Students are expected to have their video ON and show their faces for live class sessions. Individual accommodations to this request will be met on an as needed basis. If not done for you, it is recommended students mute themselves upon entering a Zoom meeting. Students should also have a designated learning space set up in their home. Student behavior expectations are the same in remote learning as they are in person.
