The signed and dated Extra-Curricular Activities Code of Conduct Contract must be given to the appropriate coach, sponsor, or supervisor before participating in tryouts for any activity.

This Code of Conduct applies to all school-sponsored activities that are neither part of an academic class nor otherwise carry credit or a grade. Sponsors shall create a roster of students who are members or participants in an extracurricular activity and maintain attendance records.

Members must conduct themselves at all times, including after school and on days school is not in session, as good citizens and exemplars of their school - they must behave in ways that are consistent with good sportsmanship, leadership, and appropriate moral conduct. They are expected to demonstrate good citizenship and exemplary conduct in the classroom, in the community, and during all facets of the activity.

The Code of Conduct below describes the expectations and goals of the extracurricular and athletic programs. This Code does not contain a complete list of inappropriate behaviors for students in extracurricular activities and athletics. This Code of Conduct will be enforced 365 days a year, 24 hours a day. A student may be excluded from activities or competition while the school is conducting an investigation regarding that student's conduct.

Please see the Student Handbook for other details about your child's participation in athletics and activities.

I have read and understand the Code of Conduct and agree to participate in extracurricular activities with adherence to the Code.

This prohibition does not prohibit legal use of weapons in cooking and in sports, such as archery, martial arts practice, target shooting, hunting, and skeet;

Hazing and bullying activities are strictly forbidden at any time and in any location. Hazing is any humiliating or dangerous activity expected of a student to belong to a team or group, regardless of his or her willingness to participate. Bullying is any physical or verbal act or conduct that has or can be reasonably predicted to place a student in reasonable fear of harm; cause a detrimental effect on a student’s physical or mental health; interfere with a student’s academic performance; or interfere with a student’s ability to participate in or benefit from school activities.

Students will maintain a score of 2 or better in all academic classes and a score of 3 or better in habits of success. The school office will frequently run an eligibility list. The coach, sponsor, or supervisor will monitor academic progress and if they observe lower scores, they will initiate an improvement plan with the appropriate teacher(s). Students will have the plan signed by parent(s)/guardian, teacher, and coach. The plan will be monitored by the coach, sponsor, or supervisor and if at any time the student does not perform satisfactorily, he or she will be subject to the agreed upon consequences in the contract until meeting the expectations in the improvement plan.

School attendance is mandatory on the date of events to participate in the activity. In the event of an appointment or family emergency, participation will be approved at the discretion of the coach, sponsor, supervisor, or activities coordinator and administration. If I am absent as the result of illness, I understand that I cannot participate.
